

Welcome to the September edition of *Digital Trust Pulse*.

This month, we look ahead to the **EBSI Business Launch in Bucharest**, alongside **Europeum's latest collaboration**, recent security work, EU policy developments and upcoming events.

EUROPEUM & EBSI UPDATES

ebsi

EBSI Ecosystem Roadshow

Romania Edition

Discover EBSI's Business Launch. Hear from policymakers and industry leaders. Connect with Europe's digital trust ecosystem.

Who is it for?

- EBSI ecosystem contributors,
- Policymakers & regulatory stakeholders
- Solution providers and digital trust community

Date and venue

22 October 2026

Jw Marriott Bucharest Grand Hotel

Register Now

Due to limited capacity, all registrations are subject to confirmation.

EUROPEUM

Co-hosted with Special Telecommunications Service (STS)

Co-funded by the European Union

EBSI Ecosystem Roadshow: Romania Edition

The first **EBSI Ecosystem Roadshow** takes place in **Bucharest** on **22 October**, co-hosted with Romania's Special Telecommunications Service (STS).

The event brings together **industry experts, Romanian and European representatives, and EBSI ecosystem contributors** to exchange perspectives on digital trust. The programme combines expert discussions, networking and a roundtable on national innovation, alongside the **EBSI Business Launch** and the introduction of its Catalogue of Services.

📍 JW Marriott Bucharest Grand Hotel

🕒 11:00–16:30

IN FOCUS

EBSI in supply chain

Making product information easier to verify

Supporting Digital Product Passports with trusted, verifiable information.

ebsi

VERIDA

A shared trust layer for Digital Product Passports

Verida, developed by Onit Smart with Clust-ER Create, is piloting **Digital Product Passports** with Italian textile and fashion manufacturers. **EBSI timestamps selected information**, so buyers, auditors and authorities can check its origin and integrity, while product data stays with the organisations responsible for it.

EU NEWS

EU Policy

On 10 September, the European Parliament's ITRE committee adopted its position on the **European Business Wallet** and voted to open negotiations with the Council. The Council adopted its position on 9 June, with both institutions aiming to **reach an agreement by the end of 2026**.

EVENTS

Global Digital Collaboration Conference 2026

1-3 September

Palexpo

Geneva

Switzerland

SPEAKER

Xavier Juredieu

CEO, Europeum

Global Digital Collaboration Conference 2026

Europeum CEO Xavier Juredieu spoke at **GDC in Geneva (1–3 September)**, in a workshop co-organised by W3C, CEN-CENELEC and the Decentralized Identity Foundation. He shared **Europeum's experience operating EBSI**, with case studies on **digital product passports, supply chain, KYC/KYB and data sharing for the EU Business Wallet**.

Second EDIC Annual Gathering

The European Commission's DG CONNECT hosted the **Second EDIC Annual Gathering in Brussels on 30 September**. Xavier Juredieu presented Europeum and joined the panel on the **future of the EDIC ecosystem**.
